

SaveSorb® Mobile Spill Kits

Hard Case Truck Spill Kit

Designed at the request of freight haulers to both meet their spill response issues and storage requirements. The Hard Case Truck Spill Kit contains one compressed bag of SaveSorb to help with spills up to approximately 3 gallons. It contains a custom designed Spillow used for capturing spills as they happen or simply as an oil-hungry sponge. All this is contained in a sturdy, stackable, and handy plastic case. Custom configurations upon request if ordering 12 or more.

Content Options:

Option A: 1 Spillow (9"x16"), 1 Compressed 360ci Bag, 2 Absorbent Pads, Nitrile Gloves, Disposal Bag.

Option B: 1 Spillow (9"x16"), 1 Pillow (appx. 1.5lbs of Loose Fill), 1 Spillow Sock (6'), 2 Absorbent Pads, Nitrile Gloves, Disposal Bag.

Option C: 1 Spillow (9"x16"), 2 Spillow Socks (6'), 2 Absorbent Pads, Nitrile Gloves, Disposal Bag.
